Friday, November 04, 2016 2:24 PM

You will be taken to this page to begin the reset process

Once you fill out the above form, the page will display this message

The email you receive will look similar to the one below.

password@firstandpeoplesbank.com

a to me 🔻

You have requested that your NetBanker PIN be restored. To confirm this request, please <u>click here</u>. This link will be valid for 2 hours.

To activate you password self-reset to use in the future, follow these steps:

Log in to your NetBanker account Go to the Options Tab Verify your email address Create a PIN Reset Question Fill in the PIN Reset Answer (case sensitive) Click SUBMIT at the bottom of the page

When you use the password self-reset, it will change the pin back to the last 4 digits of your Social Security Number.

After clicking on the link, you will be taken to this page

After filling out the form above and clicking Continue, you will see this message below. This has reset your password back to the last 4 digits of your SSN. From here, normal password changing takes place.

PIN Self Reset			
Your PIN has been reset to your original PIN. Click below to log in.
